

## WELLNESS PLAN OVERVIEW

Dogs and cats age at a much faster rate than people do. For every year that you age, your dog or cat can age from 6 to 8 years.

Your pet's medical and nutritional needs change as their bodies age. A **TruePet Wellness Plan** helps manage their evolving health care needs by monitoring vital organ function and detecting problems early before they become life threatening.

Every Wellness Plan offered by **Carolinas Veterinary Care Clinic** includes routine wellness examinations, vaccines, laboratory tests, and other services essential to protect your pet against illness and disease. They also include unlimited \$25 Exam Co-Pays for all scheduled exams. Upgraded plans, such as the Gold and Platinum Plans, are designed to provide additional services like routine dental cleanings and more extensive diagnostics. Our goal is to keep your pet healthy and happy during the prime years of their life.

Adult TruePet Wellness Plans are designed for pets older than 6 months of age.
